

KAPT Foundation
Application Deadline is June 30, 2003

Eligibility:

The KAPT Foundation has been created to fund, on a perpetual basis, a limited number of scholarships for young Kentuckians from lower to middle income families.

To be eligible for financial assistance through the KAPT Foundation, an applicant must:

Submit an application to the KAPT Foundation before freshman year of high school;

Demonstrate in that application, through a written essay and references, a history of community service in middle school;

Demonstrate in that application financial need (i.e., a family income of less than \$40,000);

Demonstrate academic diligence through a minimum 2.5 G.P.A. in middle school, and maintenance of a 2.5 GPA in high school;

Work at least 100 hours each year during high school in accredited community service programs; and

Spend the year after graduating high school engaged full-time in an accredited community service program in Kentucky, such as Americorps. (This requirement can be fulfilled by spending each of the four summers between high school semesters engaged in such a program.)

Additional considerations include, but are not limited to the following: family hardship, member of first generation to receive a college degree, status as a foster or adopted child, and member of Kentucky ethnic minority group.

Please Note:

- The deadline for submission of application is June 30, 2003. Applications will not be accepted after this date. Scholarship recipients will be notified by August 15, 2003.
- Scholarship recipients will receive KAPT's four-year Standard Plan contract, which guarantees full tuition at the most expensive public university in Kentucky, but can be used at any institution of higher education in the country. (At more expensive schools, such as private and out-of-state institutions, recipients will have to pay the difference in price.)
- The number of scholarship recipients will depend directly on the development efforts of the Foundation, but it is our hope to award five scholarships in the year 2003.
- Scholarship recipients will be chosen by the Board of the KAPT Foundation based on the recipient's application and supporting data, in accordance with the criteria outlined above.
- Please return this scholarship form to:
